SUBJECT

Govt grant to Chamarajapatna Municipality for Town Improvement Works (Rs 15,000/-)

The Deputy Commr Hassan Dist Lr No 12576 MU 99-43-198 dated 20 6 44 with full five years programme of work that is taken up with estimates thereof for Govt approval

Put up 6/7

From the D.C Hassandola
No NL-C 1126/43 dt 18-5-44
Requests that a govt grant
of Rs 15,000/- in five equal yearly
instalments of Rs 3,000/- each
be given to the Chennamayapalem
municipal council to carry out
certain improvement works
at that place

V

In their office letter dt 3-2-1944,
the Chennamayapalem municipal council has
informed that it is prepared to
meet half the cost of the work in this
respect from out of its funds, the question
of giving the other half from out of the T
Grant should be considered

The municipal Council has now decided that
to take a loan of Rs 15,000/- free of interest
which is proposed to be discharged by
earmarking certain income to be realised
from Tolls, to carry out the improvement works
in question

The D.C is not in favour of granting
a further loan of Rs 15,000/- for the reasons
stated in para 3 of his letter

The financial position of this municipal
council according to the sanctioned budget for 43-44
is not satisfactory in the circumstances
the DC's recommendation to grant

a sum of Rs 15,000/- as an outright grant
5 instalments to carry out the
scheme in five stages subject to the orders
of
3/6 Chemmaragupettai is a Minor
Well. The official proposal was that
a total grant of Rs 15,000/- may be given
at the rate of Rs 5000/- per year for three
years to carry out certain improvement
works in the fort area at the place.
The present recommendation is that
as the Municipality is not in a position to
meet any portion of the expenditure on
improvement works at the place, the Govt
may give the total grant of Rs 15,000 in five
equal instalments of Rs 3000/- each per year.
In this connection it may be pointed out
that the detailed plans & estimates for the
improvement works to be carried out are
not yet prepared & the exact amount required
to execute them also is not known
hence the Govt cannot commit themselves to any expe-
nditure in this behalf.
The D.C. Chittoor will therefore be requested
to get plans & estimates prepared, and a programme for
the five years for this work & submit the same for the
approval of Govt when the question of the amount
may be placed at the disposal of the D.C. every year as and when
may be decided.

OFFICE OF THE

GOVT OF MYSORE

Sir,

Subject: Govt grant to Chennarayapatna Municipality for Town Improvement works

With reference to your letter No L 7974/M1 69-43-29 dated 3-2-1944 intimating that if the Chennarayapatna Municipal Council is prepared to pay half the cost of the estimate for Rs 15,000/- the question of giving a Govt grant would be considered, I have the honour to state as follows -

In order to meet their share of half the cost of the proposed improvement works the Municipal Council have resolved at their meeting held on 26-3-1944 to take a loan of Rs 15,000/- from Government free of interest and to establish Toll Gates for repaying the loan out of the income to be realised from Toll An income of Rs 200/- per month is expected to be realised by establishing toll gates against an expenditure of Rs 100/- per month towards establishment The net income likely to be derived will therefore be Rs 100/- per month or Rs 1200 per year Several Toll gates have since been abolished by Govt and I doubt whether it would be expedient to establish new toll gates again The normal receipts and expenditure of this Municipality is Rs 11,785 and Rs 9129 respectively and the closing balance of Rs 2586 left over is even below the prescribed minimum balance On account of its low income the Municipality is not in a position to find funds towards their share of the cost for the proposed improvement works or to make provision for the repayment of the loan to be sanctioned

The Municipality has already taken a loan of 7000/- for water works vide G O No 7510-13/M 1 147-38-47 dated 29-2-40 and the question of granting a further loan does not appear to be feasible Sravana-belagola which is 7 miles away from Chennarayapatna is a well known centre of pilgrimage on account of the statue of Sri Gomateswara and a number of persons will be visiting this place very often from all over India and abroad Chennarayapatna being a Taluk Head Quarter, the proposed improvement works are quite necessary

In the above circumstances, I request that the Government may be pleased to sanction an outright grant of Rs 15,000/- spread over for 5 years at Rs 3000/- per year instead of at Rs 5000/- as previously recommended in this office letter No M1 C 1126/43 dated 27-10-43 so as to enable the Municipality to undertake the works and complete them in 5 years

Copies of resolutions of the Municipality dated 15-2-44 and 26-3-44 are enclosed

I have the honour to be,
Sir,
Your most obedient Servant,
